

getStabilityLimitFlag

```
graph LR; A["amici::SteadystateProblem  
::createSteadystateSimSolver"] --> B["getStabilityLimitFlag"]
```

A diagram illustrating a function call. On the right, a white rectangular box with a black border contains the text `amici::SteadystateProblem` on the first line and `::createSteadystateSimSolver` on the second line. A blue arrow points from the left side of this box to a gray rectangular box with a black border on the left. The gray box contains the text `getStabilityLimitFlag`.

amici::SteadystateProblem
::createSteadystateSimSolver
