

setStateOrdering

```
graph LR; A[amici::setSolverOptions] --> B[setStateOrdering];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The box on the left is shaded gray and contains the text 'setStateOrdering'. The box on the right is white and contains the text 'amici::setSolverOptions'. A blue arrow points from the right box to the left box, indicating a call or relationship from the right to the left.

amici::setSolverOptions
