

`solveLinearSystem`

```
graph LR; A[solveLinearSystem] --> B[amici::AmiVector::data]
```

A diagram showing a function call. On the left, a gray rectangular box with a black border contains the text `solveLinearSystem`. A dark blue arrow points from the right side of this box to the left side of another rectangular box on the right. This second box is white with a black border and contains the text `amici::AmiVector::data`.
